

## Bring deep yet accessible Bible education to your church.

Bible Journey is a comprehensive, multimedia, online curriculum, covering the meta-narrative of the Bible from Genesis to Revelation. It allows disciples to learn at their own pace, where and when they want, delivering compact lectures, immersive 360° on-site videos in the Holy Land, and an inductive learning structure that encourages churches to deeply engage with Scripture.

### Robust and Theologically-rich Bible Curriculum

6 STUDIES, 45 COURSES, 225 LESSONS. INCALCULABLE WORTH.

THE BIBLE JOURNEY INTERFACE

*"We are 100% convinced, our pastors and elders, that Bible Journey was the right soil conditioner that our church needed to stimulate growth and productivity for the most hungry disciples who are ready to learn in our church. So we're grateful for this as a resource, and are committed to being a long-term partner."* —Mike Moses, Senior Pastor of Lake Forest Church
